Thank you for joining! Don't forget to add your score with a <guess piece> to this group too (not just a discussion). I'll probably add more excerpts in the future. Principle: Like Ivan's one, please have only 3 guesses (guesses renewed August 16) until September 12th, so this is not one person guessing them all, and write what piece and composer (and movement if necessary) you think match with a specific passage number, and write what passage you mean. I'll update the description of what the snippets are when someone guesses and their username is added next to it. Thank you for participating! Some fragments are reductions to the piano and may not be accurate. 5 unguessed remaining: 7, 13, 23, 31, 341' -- J.S.Bach: Invention No. 14 in Bb major, BWV 705 (Fachr_04)2' -- Franz Schubert: The Trout Quintet, 1st Mov.
